

AMETHYST CLASS

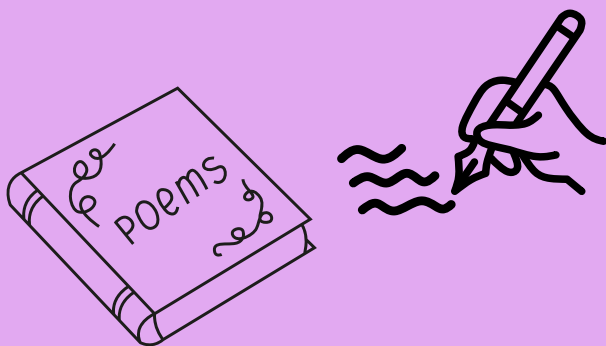

'SPRING 2' LEARNING LETTER

POETRY

Spring 2's English theme is all around poetry and rhyming!

As a class we will be looking at a variety of different poetry from authors Allen Ahlberg & Dennis Lee and exploring how the authors use rhyming patterns and rhythmic beat.

IN THE CLASSROOM

Science - Chemistry: Chemical Reactions

Humanities - 1970s America: The Bronx.

PSHE - Families: This work will link to our previous half term around emotions, now linking to families.

Maths - Geometry position and movement, mental maths and number patterns.

Creative - Music: With the focus around rhythm and beat. Pupils will create their own poetry or rap to a beat!

HOME LEARNING OPPORTUNITIES

Talk through with your child about your families! They could create a family tree to bring in and share with the class.

<https://www.worksheetworks.com/> - A worksheet generator website on any topics, great for home learning!

Plus Blooket, Numbots, Times Tables Rockstars and Purple Mash!

We are going to start a class competition each week for both Numbots and Times Tables Rockstars, so practice at home would be fantastic! Please let staff know if you would like the log in details.
