Diamond Class Learning Letter Autumn 1

We will be focussing on communication this half term, including writing to communicate. I hope your children enjoyed receiving a letter in the summer to start off this topic! We will be reading *Diary of a Wimpy Kid* by Jeff Kinney to learn about diary writing.

In maths we will be focussing on problem solving and resilience; practising different ways to find answers and never giving up!

On that note, our PSHE topic is the very important subject of mental well-being.

In our discovery days, we will be learning about the Roman Empire in humanities; working animals in biology; The Good Samaritan in RE; employability skills in careers and music in creative.

At home your child could...

Send a postcard!

Share their favourite moment of each day with you.

Watch or read a 'Wimpy Kid' film or book.
