

# Diamond Class Learning Letter Spring 2

Hello.

Below are the details of our learning for this term. If you need to speak with me I am usually in school between 8am and 4pm, or you can contact me by email at [diamond@cedarschool.co.uk](mailto:diamond@cedarschool.co.uk).

Bronya

## **Maths**

In maths we are focusing on shape. We will be learning about the properties of 2d and 3d shapes (see how many they can see at home or during an activity). Name the shapes on this letter.

## **English**

We are learning about poetry in our English lessons. In reading we will be using a poem called The Jabberwock. In writing we are going to write different types of poetry including ladder poems and haikus. Find some activities to do at home here

<https://www.bbc.co.uk/bitesize/topics/zjhhvcw>

## **Discovery Days**

Evolution and Charles Darwin are the focus of our Discovery days. We are exploring these topics through history, geography and biology. We will also be making some of the animals Darwin discovered in our creative day.

## **Home Challenge**

Make a model of The Jabberwocky and bring it in to school. Images and the poem can be found here
