

Summer

Term

2

2

in

Blue

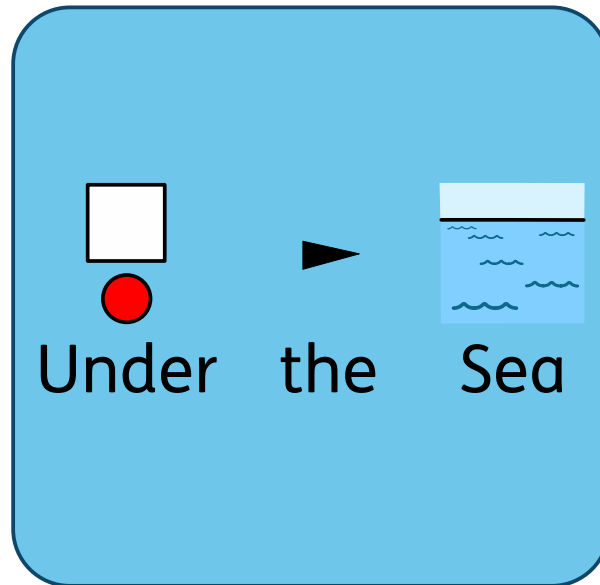

class

In Writing we will be looking specifically at the story "The Little Mermaid" and investigating all things descriptive!

Blue class will be learning how to solve all sorts of real life problems. Here is an example: Sam has 2 apples. His teacher gives him 1 more apple. How many apples does Sam have now?

We will be making digital stories in computing this term, learning how to add images, animation and even sound to a story book.

Dance and Gymnastics is the focus for this term. Blue class will be learning the basics of gymnastics such as balancing and shapes.

Caring and relationships are on the agenda for term 6 in PSHE. We will also be looking at money through play activities such as shops!

Discovery day will be jam packed with learning all about The King, the water cycle and Rathayatra

We shall be creating some beautiful bunting this last term ready for the incoming summer!
