Milestones and Learning Outcomes

Key Events and Experiences

Key Stage 3

To encourage our young people to develop self-awareness, self-determination and self-improvement. Our learners will discover the world of work in relation to themselves as individuals. They will begin to develop career management and employability skills.

- 1 – Focus on their positive achievements
- 2 – Describe themselves, their preference and strengths
- 3 – Understand the idea of a career journey
- 4 – Understand how to challenge stereotyping and discrimination
- 5 – Show that they can be positive, flexible and well prepared

Key Stage 4

To continue building on the skills and knowledge being developed in Key Stage 3. Start to plan transitions from school to further education. The accreditation units delivered at Cedar are built around independence and the World of Work – a considered and key change to support in positive outcomes for young people at the school, and run hand in hand with Careers Education.

- 1 – Recognise how they are changing, what skills they have to offer and what is important to them
- 2 – Be positive and develop responsibility for their own progress, achievements and wellbeing
- 3 – Explain key ideas about careers and career development
- 4 – Identifying different types of businesses and services, along with the job roles involved
- 5 – Understand the expectations and skills required to successfully transition

Key Stage 3

- 1 – Mini Enterprise Challenge
- 2 – Employability Skills Based Activities
- 3 – Employer Encounters
- 4 – Residential Trip Opportunities
- 5 – Post 16 Encounter
- 6 – Global Bridge Profile Building
- 7 – Year 9 Individual Careers Advice Session

Key Stage 4

- 1 – OCR Life & Living Skills Curriculum
- 2 – Mini Enterprise Challenge
- 3 – Employer Encounters
- 4 – Targeted Curriculum Enrichment
- 5 – Post 16 Encounters including visits
- 6 – Global Bridge Profile Building
- 7 – Year 10 and 11 Individual Careers Advice Session

Inspiring and preparing young people for the world of work.
