

Maths

In maths we are going to be working with Sapphire Class. We will be focusing on counting and weights and measure. Online support can be found at

<https://www.bbc.co.uk/bitesize/topics/zt9k7ty>

Reading and writing

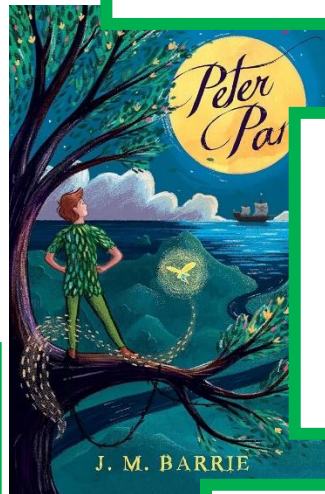

We will be reading Peter Pan and using the text to learn about sentence construction. We will be learning about nouns, adjectives, verbs and adverbs.

We will also be practicing our reading skills by learning to read signs found in the wider community. We will also be practicing our phonics blending of split diagraphs. Videos and activities to do at home can be found at:

<https://www.bbc.co.uk/programmes/p011sq17>

Across history, geography, science and creative discovery days we will be exploring our planet and space. This will include linking Holst's Planet Suite (classical music) to our understanding of space.

Computing

We will be collecting data about our own and others likes and dislikes.

PSHE

We are going to learn what we can do if we feel unwell and how to overcome any worries about asking for help.

Home

challenge

Watch a version of Peter Pan together. This could be the Disney film, the ballet or even a pantomime!

Creative

We will be creating our own versions of Van Gogh's picture "A starry night"
