

 <h3>English</h3>	 <h3>Maths</h3>
<p>In school we are learning: Diary entries and leaflet writing</p> <p>Home learning opportunities: Your child could start a diary/ journal- they could write (or tell you) something interesting/ funny/ sad etc. that has happened to them each day.</p> 	<p>In school we are learning: Magic numbers!</p> <p>We will be focusing on remembering tricks to help us remember number facts.</p> <p>Home learning opportunities: Encourage your child to log into their Numbots /Times-table Rockstars accounts and practise, practise, practise!</p> <p>Give as many opportunities to practise in daily life as possible. For example, count in 2's, 5's, 10's or even 7's as you unpack the shopping!</p> 
 <h3>PSHE</h3>	 <h3>Computing</h3>
<p>In school we are learning: All about staying safe on the Internet</p> <p>Home learning opportunities: Talk to your child about what they are using the Internet for. Ask them if they understand not to speak to strangers and if they keep their passwords safe.</p>	<p>In school we are learning: To create a PowerPoint, adding music and images from the Internet. This will link to our Creative topic.</p> <p>Home learning opportunities: See if you can create a PowerPoint (or similar) with your child on a fun topic.</p>
 <h3>Life Skills</h3>	 <h3>PE</h3>
<p>In school we are learning: Household cleaning</p> <p>Home learning opportunities: Here is your opportunity to get your child cleaning if they don't already! Your child clean alongside you. Learning which products and equipment they need for each chore and how often each chore should be completed.</p> 	<p>In school we are learning: Dance</p> <p>We are lucky enough to be invited to learn dance with the professional dance instructors!</p> <p>Home learning opportunities: If your children use TikTok, they could watch some TikTok dances and maybe try some out! Maybe they could even teach you or someone else in the family!</p> 

Discovery Days with Emma

In our discovery days, we will be focussing on humanities, science, RE and creative subjects. **This term we will be learning all about the Planets in Space for Physics. We will be researching the Aztecs in History, and creating different kinds of Aztec Art and Craft.**

Home learning opportunities:

Encourage your child to go outside with you at night and see if they can spot the moon. Ask them about the Aztecs, see what they have learned. There may be some surprising facts!

Useful Websites/Apps

Some of these may require login information. Please speak to your class teacher or child's key worker for details.

Class Reminders

Our swimming slot is on Mondays. We will be continuing to prioritise the children that need to use the pool for their physiotherapy. I will email you or we will write in home school books to let you know if your child will be swimming.

Please email me with any questions or concerns on ruby@cedarschool.co.uk

It is also fabulous to hear and see how your child gets on with the home learning so please send any photos/ information of how they get on!
