

Sapphire Class Spring 1

Home learning letter

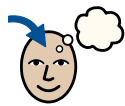

In English we are learning about the play 'As you like it'. We are exploring what makes us laugh and will be writing a class joke book.

In Maths we are learning about time. We will be talking about our daily routines, weekly activities and key events in their year. In PSHE

we are learning about internet safety. We are discussing that not everything we see online is real. We also will be focussing on reporting content or communication they do not like. For computing we will be using the internet to search for pictures for different purposes including making a poster all about the play's setting of

France. In creative lessons we will be making masks to create a disguise. Then for Life Skills we will be learning about cleaning and food safety. We will be exploring where to keep food and how long it lasts for.

PE and Discovery Day

Home learning opportunities

Take pictures
at the
weekend
to make a
journal and
discuss what
they did and
when.

Join your child
with what they
are watching
on TV or
devices and
talk about how
it makes them
feel.

Explore
cooking at
home and
how to
safely store
and heat
food.

We would love to see any pictures or hear how it went by
emailing sapphire@cedarschool.co.uk
