

Sapphire class Summer 1

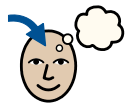

Home learning letter

For English and maths this half term we will be joining with Diamond class working in two groups. For English in Diamond class they will be exploring Peter Pan and focussing on sentence construction. In Sapphire we will be focussing on the poetry collection Old possum's book of practical cats. We will be exploring the different stories through the music and costumes of the play Cats. For maths we will be revisiting place value and number facts before moving onto position. In PSHE the topic is lifestyle choices we will focussing on personal hygiene and mental wellbeing. In computing we will be collecting data and using our findings to create a visual representation. In creative lessons we will be focussing on Design Technology for how things work including handles, pulleys, levers and linkages to complete a task. In life skills this half term we will be playing outdoor games and building our social skills through turn taking and clear communication.

Home

learning

opportunities

Make a weekend diary or take pictures of a pet/ toy.

Use a chart to tick off teeth brushing twice a day for 2 minutes.

Explore how things work at home (cupboards, clothes horse and hand held whisk)

We would love to hear how it went by emailing sapphire@cedarschool.co.uk
