The positive impact of this can be seen across the school:

- The **additional, enhanced PE/Sports coaching sessions** have enabled children in classes across the school to benefit from a skilled sports professional - trained by Saints Foundation - providing high quality enhanced sports sessions. Monitoring of these sessions by members of SLT have shown that the quality of these opportunities for children is consistently high. Pupils enjoy these sessions; pupil feedback is very positive.
- The **therapy dog** has continued to provide pastoral support for children. Two teachers are currently receiving training about managing the work of our therapy dog while the therapy dog is attending training sessions – all with a skilled, professional trainer.
- **PE equipment** enables us to offer high quality PE lessons with all children able to access resources.
- The **weekly inclusive Dance sessions** are a highlight in the school, week. These skilfully-led sessions enable all children to engage in dance. Pupil and staff feedback is overwhelmingly positive:
Pupil – ‘We look forward to the dance every week. It helps us to understand rhythm and to keep fit.’
Staff Member – ‘What an amazing buzz! All of the children love it; all of the children are fully involved!’
