## Meet our school dog!

By Lexie and Monica

We welcome Otis with warm arms in to our lovely home in Cedar. We have seen the children's learning develop through being excited with having a dog. He is a fun , smart 5 month old puppy. His favourite food is rabbit ears and he was born on May 21st 2022. We are surprised to know that Otis was not at all afraid to meet the excitable pupils and he was actually enjoying the attention.

About Otis

The guildhall performance

Puzzle page

A school year survey

## What we do

We interview people

We tell people what's  
going on at Cedar

We make newspapers

## What you can do to help us

You can tell us about what's happening at Cedar

You can tell people about this newspaper

You can tell us about anything you think we could improve

## The people who made this newspaper

Lexie Olden. Reporter

Max Taporowski. Assistant

Monica Keatings. Writer

William De Bruyne. Assistant editor

# Fantastic Guildhall choir performance!

By Monica and Lexie

**Cedar school choir performance was held on the 6/12/22. They are very thrilled to say that the Guildhall performance went incredibly well ,they are all looking to more performances in the future with their incredible enthusiasm. We so proud of all of our fantastic singers, well done.**

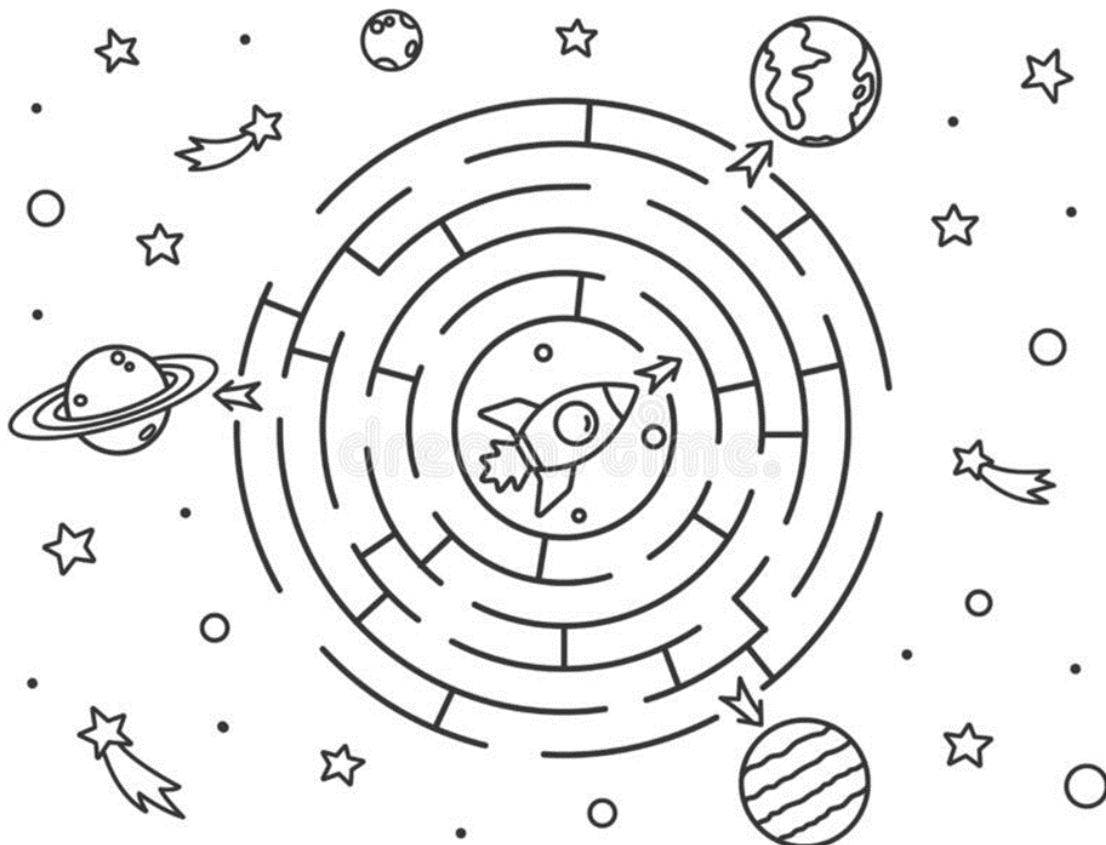

Thanks to Becca for the photos!

# School year survey

2022

After asking each class how much they liked this school year so far. The results are 7.950 out of ten.

We also asked each class what they're favourite and least favourite things about this school year are.

Blue Class told us they love doing Sherborne on the mat, while Green Class children have enjoyed yoga, riding bikes, making videos in Computing and listening to music.

Red, Diamond, Sapphire and Ruby all like spending time with Otis the dog. Trips to go fishing, see The Lion King at The Mayflower and sing at the Guildhall were also really popular.

On the other hand, Yellow aren't too keen on Maths, and Green and Ruby agree! Blue Class said that sometimes they don't like waiting and Red really hope to go swimming again soon.

Thanks to all the Cedar children for their responses to the survey!

Idea, survey and results by William

Text finished by James

# **Thank you for reading the first ever issue of The Cedar News!**

I'll reluctantly call myself the 'editor' but really all I've done is help channel the children's wonderful ideas and work into a finished newspaper. They deserve all the credit.

We hope you enjoyed the articles and puzzles, and we hope to be back with the Spring issue at the end of March!

James
