Dear Parent/Carer,

Some of our secondary children have been busy this year thinking about how they would like to develop the Cedar School Secondary Department's identity.

One of their ideas was for a Cedar blazer to be added as an option to the uniform for children in the secondary department. Thanks to their fundraising efforts and kind donations from the school, we are able to pay for your child's first blazer if they would like one.

If your child would like a Cedar School blazer, please complete the slip below outlining a size that will allow for some 'growing room' and send it back into school by Monday 14 February.

We would ask that, in order for us to provide this in the long term, if your child grows out of their blazer, you donate it back to the school.

We are really proud of our children for coming up with this idea. Their forward thinking, pride in their school and effort towards making this happen has been admirable. One of our children said, "I'd like a blazer because it looks smart and it makes us more grown up."

Many thanks,

Katy Leonard
