Dear Parents and Carers

Summer Term Dates, Class Transition and Reports

It was really lovely to welcome many of you to our Sports Days this week. The sun certainly shone for us! Thank you very much for joining us for these special occasions!

The children were all brilliant and it was so great to see them enjoying taking part. We are so very proud of them all!

I thought that it would be helpful to have a reminder of key dates for the rest of this term and to share how we are busy making the class arrangements for next year!

Class Arrangements for 2022-2023

This is the time of year when we are busy making arrangements for next year's classes. At the heart of these decisions is that every child is in a class which is best placed to meet their learning needs. We will be letting children, and families, know their new classes on Thursday 30th June.

Then, on Wednesday 6th July, between 9.30am and 12.00pm and again on Monday 11th July between 1.30pm and 3.00pm, children will spend time in their class for next year. It is very important to us to make this a successful transition for every child and we are so pleased to be able to go back to face-to-face transition this year after restrictions made this impossible in 2020 and 2021.

Reports

Staff are busy writing the children's reports at the moment. Pulling together each child's learning from across the year is always such a positive and affirming thing to do. I am enjoying reading the reports at the moment, as well as the children's 'Cedar Celebrates' Trees', where we highlight some key successes for every child.

Reports will be sent to families on Friday 15th July.

Thank you for your continued support and for 'loaning' us your wonderful children each day. We look forward, hopefully, to seeing you all at one or more of our events before the end of term!

Very best wishes,
