

Spring 2

 <h3>Communication and Language</h3>	 <h3>Physical Development</h3>
<p>Refer to the core vocabulary and discuss the first signs of spring.</p> <p>Go on springtime walks though the parks. Introduce some different books that are based around spring such Tree, visit your local library.</p> <p>What do you have around your home that can remind you of spring?</p>	<p>We are focusing on invasion games. Enjoy some football, rugby or basketball. Can they travel with the ball.</p> <p>Move the ball towards a target or kick, push, throw to a friend or family member.</p> <p>Move or run backwards and forwards.</p> <p>Roll, throw, catch and kick balls, beanbags etc.</p>
 <h3>P.S.H.E. Personal, Social and Emotional Development</h3>	 <h3>Understanding the World</h3>
<p>In school we are learning: Families</p> <p>Home learning opportunities: Discuss who is in their family. What do you like to do together? What are your favourite meals that you get to eat together? Talk about the different celebrations you may have together.</p>	<p>Get into the garden create an outdoor kitchen. Make some mud pies and soup. Do some planting or involve them with some window boxes and plant some seeds or flowers to watch them grow.</p> <p>Link some walks to communication and language by going on some nature walks. Do some food shopping and have a look at all the different easter eggs and springtime decorations.</p>
 <h3>Literacy</h3>	 <h3>Mathematics</h3>
<p>This term we will have a particular focus on the letters: L, M, N, O & P.</p> <p>Find different items/objects around the home that begin with these different letters, what about on walks, food shopping?</p> <p>Look Geraldine the giraffe on YouTube. Do you have the same things at home. Explore books about spring and Easter.</p>	<p>You can link maths to many different subjects such as the ones already discussed.</p> <p>For example in gardening count the different pieces of equipment you need. How many objects of the same letter can you find?</p>
 <h3>Expressive Arts and Design/core vocabulary</h3>	
<p>Get messy and do some gardening. Play with the different tools. Plant some seeds such as cress and sunflowers. Watch the cress grow on the windowsill.</p> <p>Sing lots of different songs, make some movements with YouTube videos.</p> <p>Make music with pots and pans.</p> <p>How about making your own playdough and getting them to choose the different colours they want.</p> <p>Core Vocabulary: spring, new, life, seeds, plant, grow, sun, chick, lamb, foal, water, rain, wind, sky, blue, green, grass.</p>
