

Our Learning Newsletter: Autumn 1

 English 	 Maths 
In school we are learning: about Roald Dahl's Enormous Crocodile Home learning opportunities: Perhaps you can watch a video of the story on YouTube or maybe read a different Roald Dahl book together e.g. The Twits Make a paper chain crocodile or research crocodile facts.	In school we are learning: about number and shape Home learning opportunities: Go on a shape hunt around the house or garden and tally how many of each basic shape you find (circle, rectangle, square and triangle). Use building bricks or Lego to build structures. Use shapes to make a picture.
 PSHE 	 Computing 
In school we are learning: about mental wellbeing Home learning opportunities: At home you could do activities such as listening to music, having a cuddle with a favourite toy, going for a walk, drawing or colouring, taking some deep breaths, reading, spending time with a pet, talking to someone they trust, doing a favourite activity, having some quiet time. What makes you calm?	In school we are learning: about technology and how we can access it Home learning opportunities: How many pieces of technology can you find at home? Can your child help to switch things on and off (with supervision as appropriate) or follow simple instructions to make something work?
 Life Skills 	 PE 
In school we are learning: about personal hygiene Home learning opportunities: Make sure your child gets involved with personal hygiene tasks such as face washing, teeth cleaning, nail cutting as much as possible. Do they know what the tools are for each task. Can you encourage them to do a bit more for themselves?	In school we are learning: about fundamental movements and athletics Home learning opportunities: Create a pathway using different safe textures such as carpet, towel, bubble wrap, foam, artificial grass, cushions, large pieces of cardboard Children can walk, march, tiptoe, crawl, jump and explore from one texture to another. Which was your favorite texture?
 Discovery Days 	
In our discovery days we will be focussing on humanities, science, RE and creative subjects. For our science this term we are learning about: Mini beasts Home learning opportunities: Ask children to go into the garden, park or even look around the outside of their home to see if they can find a mini beast. What mini beasts can you find?	

Class Reminders

We will be having a parent 'drop in' session, look out for the invitation later in the half term.
