

RUBY CLASS

AUTUMN 1 LEARNING LETTER

MYTHS & LEGENDS

Our English topic for Autumn 1 is based around the book 'Northern Lights'.

In this book, each character has their own spirit animal who follows them everywhere they go! There is also a bbc tv programme made around the book called His Dark Materials!

IN THE CLASSROOM

Science - Biology: Plant reproduction and growth.

Humanities - Farming and food across the years! We will be looking at farming across many time periods and where foods come from in the world.

Maths - Shapes, Number patterns and Number operations.

Computing - Using ICT to research and find information.

Life skills: Healthy eating and meal preparation.

HOME LEARNING OPPORTUNITIES

Welcome back to another year at Cedar! If you have any questions, please reach out to ruby@cedarschool.co.uk so myself or the team can pick it up! 😊

Opportunities to help cook at home would be amazing! Pupils can then keep practising the skills they learn during life skills.
